United Nations Year of Dialogue among Civilizations

Report of the Secretary-General

Corrigendum

Paragraph 7

For the existing text, *substitute*

7. If, indeed, it is possible to define a new paradigm of international relations engendered by the dialogue, then it should be possible to transform the theory into practice. In the spirit of the dialogue, it has already been possible to achieve small steps in the communication among some Member States that had, thus far, been at odds with each other. On the occasion of the Millennium Assembly of the United Nations, the Secretary-General has worked hard in this direction. Thus, it should also be possible to put forward a proposal that focuses on a specific area of the world and suggests a specific diplomatic initiative by the Secretary-General. This would be a fitting conclusion to the United Nations Year of Dialogue among Civilizations.
